

Co-Tenant Applications Form

If you would like to add a co-tenant to your plot please complete all details on the form below. Co-tenancy applications will only be considered from plots that have been managed in accordance with YACIO rules and regulations. A tenant may register up to two co-tenants to assist on the plot. Once registered co-tenants will have equal rights as laid out in the constitution. For a co-tenant to take over a plot as the first named tenant they must have been registered on the tenancy for 24 months prior to that application and working on that plot for this time. YACIO reserves the right to refuse any co-tenant application at the discretion of the Trustees. If at any time you wish to remove a co-tenant from your tenancy then this must be approved by YACIO and only carried out with the knowledge of the co-tenant.
